IBM Coop Program is looking to fill immediate positions starting Summer 2015.

Positions Available:
- IBM Software Tester Co-op – Tivoli Storage Manager
- IBM Software Development Co-op – Tivoli Storage Manager

Program overview:

The Center for Student Involvement and Leadership (in the Arizona Student Unions) is accepting applications for paid Co-op positions on site at the IBM/Tivoli site at the UA Research Park (I-10 and Kolb). These positions involve work in testing, management, and development of computer software and data storage programs. Students who meet the qualifications are encouraged to apply for these positions, which are offered through a special contractual partnership between IBM and the Center for Student Involvement & Leadership (CSIL). Successful candidates will be expected to participate in the ATLAS Leadership Certificate Program as a condition of employment.

Qualifications:
- Must be a University of Arizona Student – Freshman, Sophomore, Junior, Senior are accepted.
- Must have own transportation to the IBM/Tivoli site at Kolb and I-10.
- Must have a minimum 3.0 GPA (on a 4.0 scale).
- Must be able to work a minimum of 20 hours a week.

Pay Range:
$15 per hour for 20 hours minimum/week (Monday through Friday, no weekends). Merit increases available each year based on performance.

Terms of Employment:
Co-ops work year-round and continuously (this is not a summer internship) providing the Co-op remains:
- A degree seeking UA student (auditing classes does not meet this requirement)
- Continues to perform at or above expected standards as outlined in the performance evaluation
