INTERNATIONAL COOPERATIVE EDUCATION

INTERNSHIPS – WORK ABROAD

Our program matches you with summer internships or other jobs overseas. You can work for as little as 8 weeks or up to one year. Since 1971, we have helped more than 16,000 participants have the experience of a lifetime.

We currently have openings in: Argentina, Australia, Belgium, Bhutan, Bolivia, Brazil, China, Chile, Costa Rica, Ecuador, England, Ethiopia, Finland, France, Germany, India, Indonesia, Ireland, Japan, Laos, Mexico, Mongolia, Peru, Poland, Singapore, Switzerland, Tanzania, and the United Kingdom.

ICE offers a wide variety of jobs, including: teaching English as a second language, engineering, office work, summer camp counselor, manual labor, hospitality (hotel), retail, child care, biotech, business, banking, computer programming, sales, marketing, organic farming, social work, accounting, news, food science, and more. Some of these positions include room, board, and a salary, some provide only room and board, and others are volunteer positions.

Some locations require knowledge of the local language, while others do not. Our program will assist you to obtain work permits and visas if they are required. You do not need to be a US citizen to participate, but you do need to have a valid passport.

Our website provides a list of current job openings, testimonials from former participants, and a list of our fees and other requirements. For more information, please visit us at www.icemenio.com
