5. **The instructor or project advisor must provide** either a course syllabus or a project plan detailing:
(1) learning outcomes, (2) expected reading, or lab or field work, (3) expected meetings, (4) expected work products, and (5) criteria to be used for evaluation and grading.

8. **If a grade of Incomplete is awarded** for an Independent Study course at the end of the term, another Project Advisor must be identified who agrees to evaluate the student's work, should the original Project Advisor become unavailable.

Guidelines for Independent Study

1. The student should have a specific proposal or project in mind when requesting individual studies credit.
2. The enrollment fee for individual studies credit is calculated at the same rate as for other credit courses.
3. Students should enroll prior to the start of the term in which they will be earning credit, and must complete the required 45 hours of course work per credit unit before the last day of the term. The last day to register for Independent Study in Fall and Spring Semesters without incurring a late charge is the same as for all other courses; see <http://www.bursar.arizona.edu/students/fees/census> and http://www.bursar.arizona.edu/students/fees/late_charge.asp.
